Respected Madam,

Date: 14.12.12

We at Sri Vani School have great respect for Indian Tradition and this is upheld in all actions and activities of the school. We emphasize education with strong moral values, ethics and rich cultural heritage of our country. We put our best efforts to give excellent education by merging technology with tradition and culture.

We believe in providing opportunities for our students to understand our culture. In this regard we learnt about Sandeepani Gurukula. We appreciate their team effort to inculcate value system through chanting "Bhagavadgeetha". We have introduced this programme for our kindergartners who are ready to grasp anything at this tender age.

We are happy to know that parents also are showing a lot of interest and encourage their children and train them at home.

We are very thankful for Mrs. Rohini Chakravarthy and her team for their wonderful thought and enthusiasm in installing the values in the children.

Thanking you.
